BY: *Ginger Boverkamp*

Dear Sir:

Prosecution of the above-captioned patent application was previously handled by the firm of Sheridan Ross P.C. However, in June 1999, rights in the application were transferred to a different entity and new counsel assumed prosecution of the case.

In a universal correspondence address change effort that was conducted in September 1999 as part of the relocation of the offices of Sheridan Ross P.C., the Correspondence Address for this patent application was inadvertently changed to Sheridan Ross P.C.'s new address (as shown in the signature block, below). Please again change the Correspondence Address for this case, restoring the previous address, for David M. Sigmond, Esq., Maxtor Corporation, 2452 Clover Basin Drive, Longmont, CO 80503. Also enclosed herewith is a General Power of Attorney confirming Mr. Sigmond is authorized to conduct any and all transactions with the U.S. Patent and Trademark Office connected herewith.

Respectfully submitted,

SHERIDAN ROSS P.C.
